

June 6, 2024

Dear Friend of Heartland,

We weren't going to do a golf tournament this year because we had a good 10 year run, but with so many requests from YOU, we decided to do it!! Can you believe this will be Heartland's 11th annual golf tournament?! So much has changed, but our focus on the community and our commitment to providing quality mental health services has stayed steadfast. You have played a part in that commitment, and we invite you to join us again this year!

You can be a "superhero" and help make our 11th Annual Heartland Counseling "Superhero" Golf Fundraiser a success by becoming a sponsor, registering a team, and/or donating today. Last year we raised nearly \$30,000 and I believe, that with your support, we can beat that this year! With the increasing demand for services and the increasing suicide statistics, this support is critical to keeping mental health and substance abuse services and education available to all.

You can make a huge impact on the lives of those struggling through your support today. We are seeking donations of items for pin prizes and pick-a-prize, sponsorships, and golf teams. Enclosed is a form outlining the many opportunities – you can pick one or pick many!

- **Want to golf?** Check out the Presenting Title, Eagle, Gold, Silver, or Bronze Sponsorships.
- **Unable to golf?** Check out the Lunch, Dinner, Putting Green & Hole Sponsorship opportunities.
- You can also add in your own donation amount and make an item donation to be used as a pin prize or in the auction/pick-a-prize.

This year's event will be held on Friday, September 13, 2024, at Covington Links Golf Course. 10:00am shotgun start time. This event does typically sell out, so please get your support in as soon as possible – that also gives us more time to share your support on our social media channels as well!

Your time and support are greatly appreciated. Please reach out to me if you have any questions or would like to discuss this or any other event in more detail.

Sincerely,

Lauren and Jennifer
